

AGENDA

DAY 1, Monday, 26 June	
Arrival of Experts	
DAY 2, Tuesday, 27 June	
Meeting Venue: National University of Architecture and Construction of Armenia (NUACA), Address: 105 Teryan Street, Main building, Scientific Council Hall (Room # 2239) Working languages: English, Armenian Participants: 1. Armen Shatvoryan, Head of Architecture Faculty 2. Madlena Igithkanyan, Deputy Dean of Architecture Faculty 3. Angin Martirosyan, Head for Educational Affairs 4. Irina Vanyan, Head of Strategic Planning and Quality Assurance department 5. Lusine Harutyunyan, Head of Innovations and Grants department 6. Anna Karamyan, Head of Chair of Gas and Heat Supply and Ventilation 7. Siranush Egnatosyan 8. Ashot Mkhitarian, Lecturer 9. Elvira Hakobyan, Lecturer 10. Nanar Kalantaryan, Lecturer	
10:00-10:30	1st presentation: • Introduction of activities implemented by the NUACA within WPs of TACEESM Project (<i>Speaker: Irina Vanyan</i>) • Presentation of Modernized Curriculum of “Architecture” (<i>Speaker: Angin Martirosyan</i>) Q & A
10:30-11:30	• Presentation of newly development courses: ➤ BIM technologies (<i>Lecturer: Ashot Mkhitarian</i>) ➤ Project Management for Architects (<i>Lecturer: Irina Vanyan</i>) ➤ Territory Improvement and engineering development of area (<i>Lecturer: Elvira Hakobyan</i>) ➤ Sustainable architecture (<i>Armen Shatvoryan</i>) ➤ Contemporary methods of preservation of historical environment (<i>Lecturer: Nanar Kalantaryan</i>)
11:30-11:45	• TACEESM Project impact on stakeholders (students, lecturers, employers and other stakeholders) (<i>Speaker: Armen Shatvoryan</i>) • How the progress and results of the Project are disseminated (<i>Speaker: Irina Vanyan</i>)
11:45-12:00	TACEESM project outputs and outcomes; how the sustainability will be ensured (<i>Speaker: Armen Shatvoryan</i>)
12:00-13:00	Presentation on the NUACA BIM Laboratory (<i>Speaker: Hovsep Hoveyan</i>)

DAY 3, Wednesday, 28 June

Meeting Venue: National Polytechnic University of Armenia (NPUA)
Address: 105 Teryan Street, NPUA Digital Technology Center
(Building # 5, 3rd Floor, Room # 5307)

Working languages: English, Armenian

Participants:

1. Ruben Aghgashyan, Head of Digital Technology Center, the Project NPUA Coordinator
2. Gevorg Margarov, Head of Information Security and Software Engineering Chair, the Project academic tasks' coordinator/supervisor at NPUA
3. Ani Mamikonyan, Head of NPUA Fundraising and Grant Programs Division
4. Marine Usepyan, Ass.Professor at ICT&Elaectronics Institute of NPUA, Team member
5. Kristine Hambardzumyan, Ass. Professor, ICT&Elaectronics Institute of NPUA, Team member
6. Ella Hovhannisyan, Lecturer at ICT&Elaectronics Institute of NPUA, Team member
7. Hasmik Markosyan, Lecturer at ICT&Elaectronics Institute of NPUA, Team member
8. Ani Manukyan, PhD student, ICT&Elaectronics Institute of NPUA, Team member
9. Ashot Gyurjinyan, Assoc. Professor, Head of Construction Engineering Chair, NPUA Vanadzor Regional Branch
10. Yuri Harutyunyan, PhD student, Lecturer sharing employment at «ArchiDutch» Company (the industrial partner of NPUA Vanadzor Regional Branch)
11. Anzhela Azaryan, Engineer-Modeler at «ArchiDutch» Company

10:00-10:30	<u>Presentation 1:</u> A brief overview of NPUA activities implemented within the WPs of TACEESM Project (<i>Speaker: Ruben Aghgashyan</i>) Q & A
10:30 - 11:15	<u>Presentation 2:</u> The E-learning platform developed and implemented within the Project by the NPUA team (<i>Speaker: Gevorg Margarov</i>) Q & A
11:15 - 11:30	A study tour of the NPUA Digital Technology Center
11:30 - 11:45	Activities conducted to disseminate the Project wider and specific objectives, on-going progress, and the results (<i>Speaker: Gevorg Margarov</i>)
11:45 - 12:15	“University – Industry” cooperation’s case study: Vanadzor Regional Branch of NPUA and the Industrial partner “ArchiDatch” Company (<i>Speakers: Yuri Harutyunyan, Anzhela Azaryan</i>)
12:15 - 12:30	The impact and sustainability of main outcomes of the Project (<i>Speaker: Ruben Aghgashyan</i>)
12:30 - 13:00	Summing up the monitoring’s first impressions, results, and recommendations (<i>NPUA and NUACA team members and external evaluators; TBC</i>)

DAY 4, Thursday, 29 June

Departure of Experts
