Online Platform Development Stages

Preparation – 15 Dec 2021 - 14 Feb 2022

Determining the target audience, analyzing competitors, defining the main goals, setting time scope, specifying roles and responsibilities

Planning – 15 Jan 2022 - 14 Mar 2022

Considering development schedule of all tasks, setting the deadlines, outlining the requirements for every element of the platform

Design – 15 Feb 2022 - 14 Apr 2022

Building the sitemap of the platform, choosing the visual style

Coding – 15 Mar 2022 - 14 Sep 2022

Combining all previous stages into completely functional online platform including Back-end and Front-end

Content Preparing and Posting –
15 Oct 2022 - 14 Jun 2023

Enriching the content that may be useful and interesting for students when studying, through selecting and developing materials by users

Maintenance & Updating –
15 Sep 2022 - 14 Nov 2022

Testing on user level, correcting functionality and updating the platform based on the feedback from users

Testing & Launching – 15 Aug 2022 - 14 Oct 2022

Making sure that the code is valid, and the user experience is seamless by bug detection and removal, then launching the platform
